Note continued

In G. O. no: H 2848 of 15.4.04 the Aql Chemist was requested to manage with the funds already sanctioned. It was observed that the matter would be taken into consideration while passing the budget for 1904.05.

The Aql Chemist in his letter no: 848 of 30th May 1904 refers to the above order & states that in the sanctioned budget of the Dept for 1904.05 no provision has been made for the above expenditure, that the menials of the Dept were not supplied with any clothing for the last ~~of~~ $4\frac{1}{2}$ years, that they are ^{entitled to} ~~allowed~~ a supply of warm clothing once in 4 years and white clothing annually.

He therefore requests that if the above provision cannot be made in the budget for 1904.05, at least a re-appropriation of Rs 500/- out of the current year's budget from the head "Experimental farm" to the

head 212 contingencies may or
urgently sanctioned to meet the
above expenditure. A statement
is submitted showing the estimate
for clothing.

A re-appropriation state-
ment ~~is also~~ submitted through
the Comptroller is also received.

As the year is almost
closed no action can be taken
on the re-appropriation state-
ment. Moreover no sanction
has been given to incur the
amount for clothing.

Orders are required as
regards the provision to be made
in the budget for 04-05 for clothing.

Sir,

Referring to Government Proceedings No. Fl. 2848 dated 15th April 1904 stating that the matter of allotment of an additional grant for the purchase of furniture and clothing to menials of this Department under the head " 12 Contingencies" will be taken into consideration while passing the Budget for the year 1904-5, I have the honour to state that in Government Order No. Fl 3167-8 dated 20th May 1904 sanctioning the Budget of this Department for the year 1904-5 no provision has been made for the above expenditure. The menials of this Department were not supplied with any clothing for the last $4\frac{1}{2}$ years. In Government Order No. 2897-8/Fl. 313 dated 4th October 1899 sanction has been accorded to the supply of warm clothing to the menials of this Department once in four years, and white clothing annually I therefore request that if the above provision cannot be made in the Budget for the year 1904-5, at least a reappropriation of Rs. 500/- out of the current years budget from the head " 9 Experimental Farm " to the head " 12 Contingencies " may be urgently sanctioned to meet the above expenditure as per statement submitted herewith.
